

CENTRAL SECTOR SCHOLARSHIP SCHEME OF TOP CLASS EDUCATION FOR SC STUDENTS (Effective from June, 2007)

1. Background

The Finance Minister in his budget speech on the Union Budget 2005-06 made the following announcements –

“The key to empowering the scheduled castes and scheduled tribes is to provide top class education opportunities to meritorious students. The three on-going scholarship schemes for SC/ST students under the Central Plan – pre-Matric, post-Matric and merit-based – will continue.

To provide an added incentive, I propose a new window: a short list of institutes of excellence will be notified, and any SC/ST student who secures admission in one of those institutes will be awarded a larger scholarship that will meet the requirements for tuition fees, living expenses, books and a computer.

1.2 Accordingly, the Ministry of Social Justice & Empowerment had a re-look at the critical gaps in quality education and drafted a more liberal scholarship scheme in consonance with the budget speech, which can take care of the quality education for the SC students. It was considered apt to provide the new window to cover the funding for quality education to SC students up to degree/post degree level without any burden on the pupils or their family.

2. Objectives and Coverage

2.1 The Scheme aims at recognizing and promoting quality education amongst students belonging to SCs, by providing full financial support. The scheme will cover SC students for pursuing studies beyond 12th class.

2.2 The scheme will operate in all institutions notified by the Ministry of Social Justice and Empowerment.

2.3 The SC students, who secure admission in the notified institutions, will be awarded scholarship to meet the requirements for (i) full tuition fee and non-refundable charges (there will be a ceiling of Rs.2.00 lakhs per annum per student for private sector institutions and Rs.3.72 lakhs per annum per student for the private sector flying clubs for Commercial Pilot Training), (ii) living expenses @ Rs.2220 per month per student subject to actuals, (iii) books and stationery @ Rs.3000 per annum per student subject to actuals and (iv) a latest computer with accessories like UPS, Printer, Multi-media limited to Rs.45000 per student as one time assistance during the course. The Institute will procure computers and supply to the awardees. Alternatively, the Institute may also consider re-imburement of expenses made by a student on purchase of the computer, limited to Rs.45,000/- provided, the computer and accessories are procured from a reputed manufacturer/supplier.

2.4 The scholarship, once awarded, will continue till the completion of the course, subject to satisfactory performance.

Eligibility

3.1 Those SC students who have secured admission in the notified institutions according to the norms prescribed by the respective institutions will be eligible for the scholarship under the scheme to the extent of the number of scholarships allocated to the institutes concerned. In case the number of students admitted exceeds the number of awards, then the scholarship will be restricted to the top ones in the inter-se merit list. The remaining students from SC category admitted in the institute in different courses shall be eligible for the Post-Matric Scholarship (PMS) administered by this Ministry as a Centrally sponsored scheme, provided such students are otherwise eligible for the said scheme. **In case, the institute finds that the number of eligible candidates in the 1st year are less than the number of scholarships allotted to it, the balance scholarships may be offered to students studying in 2nd, 3rd and 4th year, etc. on the basis of inter-se merit of previous year's result giving priority to those with higher number of years**

left to complete their respective course i.e. 1st year student is to get priority over the 2nd year student and so on.

3.2 The total family income of the student from all sources should not exceed Rs.2.00 lakh per annum.

3.3 The scholarship will become payable immediately after a student has secured admission and has started attending the classes.

3.4 The scholarship will be terminated if the student fails to pass the final examination of each year or any terminal examination prescribed. He will, however, remain eligible for the Post-Matric Scholarship.
